

Spring 2026

Shalom, once again Dear friends - both Old and New - from **Israel Food Outreach**!
Greetings from sunny California, where buds are blooming and the temperature is all too quickly rising! We are aware our weather is very similar to Israel, especially Jerusalem, another Blessing for which we are thankful!

Now, more than ever, is the time to *overcome our enemies with* Love.

PERFECT LOVE CASTS OUT FEAR
1 John 4:18

We are praying for **"that"** …as we *really have been seeking* Yeshua' s guidance of what **"that** means" now and *how we actually Do **That**!*

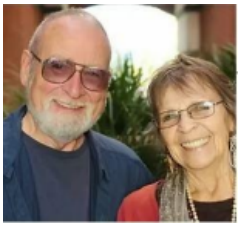

Matthew tells us to love our enemies and pray for those who persecute you.

Luke says to those who are listening, "Love your enemies, do good to those who hate you"

The world has **not** incorporated this method of obtaining true Peace *nor is training this generation…*But, God's Word does not return empty!

From all indications when the air space reopens Craig will be coming to "*scout the Land".* We have contacts dear to Dudley & Raven's heart he plans on visiting. If your Ministry wants to be included by all means **contact us quickly!** Again, we are trusting the Holy Spirit to lead where He wants us to be of Service in The Kingdom for such a time as this!

As we noted in our last letter, Dudley and Raven, our beloved founders graciously passed the *Torch of Israel Food Outreach (IFO)* as of September 2025 to Craig and Lori Lee Price, and Brannon Ramos.

We're now preparing to return in the Spring of 2026 - more details to come! The need remains great, and the people are still hungry, both physically and spiritually.

Recently we returned from an extended visit with Dudley in his home. We are returning again next week to help him relocate into a new careHome with his beloved Raven. What an immense Blessing to see and hear him in full clearness of what Father is doing in our lives.

He and Raven continue to be our strongest prayer partners and supporters. We are delighting in the opportunity to carry out the vision given 15 years ago— to feed and clothe the hungry, and to bless Holocaust survivors with handmade quilts, prayer, and words of comfort—and this **must continue.**

Time is precious, as these dear ones live on **God's timetable**, and many still struggle below the poverty line.

We invite you to partner with us by donating toward the Jerusalem Outreach Spring 2026, or even sooner if the Lord leads. We will be personally visiting and ministering to the people—*seeing and hearing their true needs*—as we continue to bless Israel, trusting that He will continue to bless IFO faithfully in return.

You are part of this mission. If you have needs, or if you feel called to join us on this journey, please reach out, especially as we **eagerly await our Messiah's soon return!**

Though the world grows darker, our Lord remains unchanging. The darker it gets, the brighter His light shines through us—His children—going forth into all nations, proclaiming with greater strength and joy of t**he Good News of the coming Kingdom**, and doing the will of our Father.

You can give directly through our website (**www.israelfoodoutreach.com**) to support this hands-on ministry of Messiah's love while we **await His glorious return!**

"Pray for the peace of Jerusalem: they shall prosper that love thee."
Ps. 122:6

With much love and gratitude in His service,
